# FIND , WRITE & DRAW

## Steps to follow

1. Print all the pages of this printable pack.
2. Use a sensory tray or bin and fill it up with some type of dry sensory filler like - kinetic sand or rice.
3. Hide all the alphabets in this bin.
4. Now let your child find any letter from the bin.
5. Now place this letter on the 'find it' column of the printable.
6. Next write the same alphabet in the 'write it' column. You can choose to do this activity in upper case or lower case.
7. Now finally let your child use his imagination & creativity to draw a picture that begins with the same alphabet in the 'draw it' column.
