

BUTTERFLY ADDITION

1 2 3

Supplies required

Dice

Buttons

clear tape

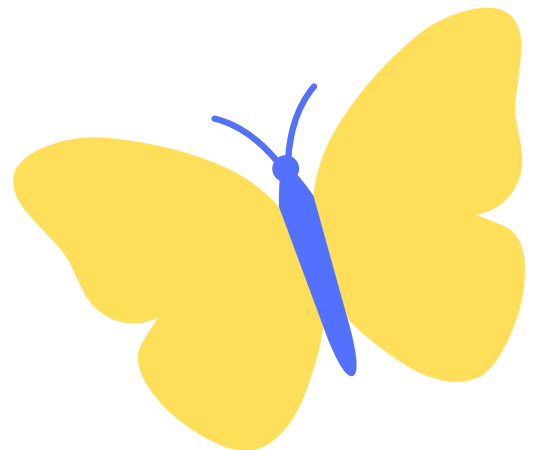

Skills at work

Counting

Addition

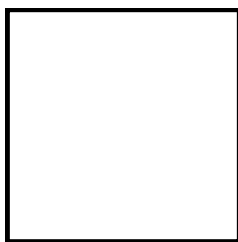

BUTTERFLY ADDITION

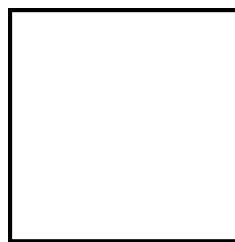

Steps to follow

1. Print page no. 3 from this printable pack.
2. Put a clear tape on on the 'write it' section of page 3.
3. Roll the first dice and after rolling place the it on the first square , repeat the same step for second dice.
4. This becomes the equation for us to solve.
5. Now place the same number of buttons as shown on the first dice and place them on the left side of the butterfly , repeat the same for the second dice.
6. Count and add the numbers together.
7. Write the equation in the last section with the correct answer.

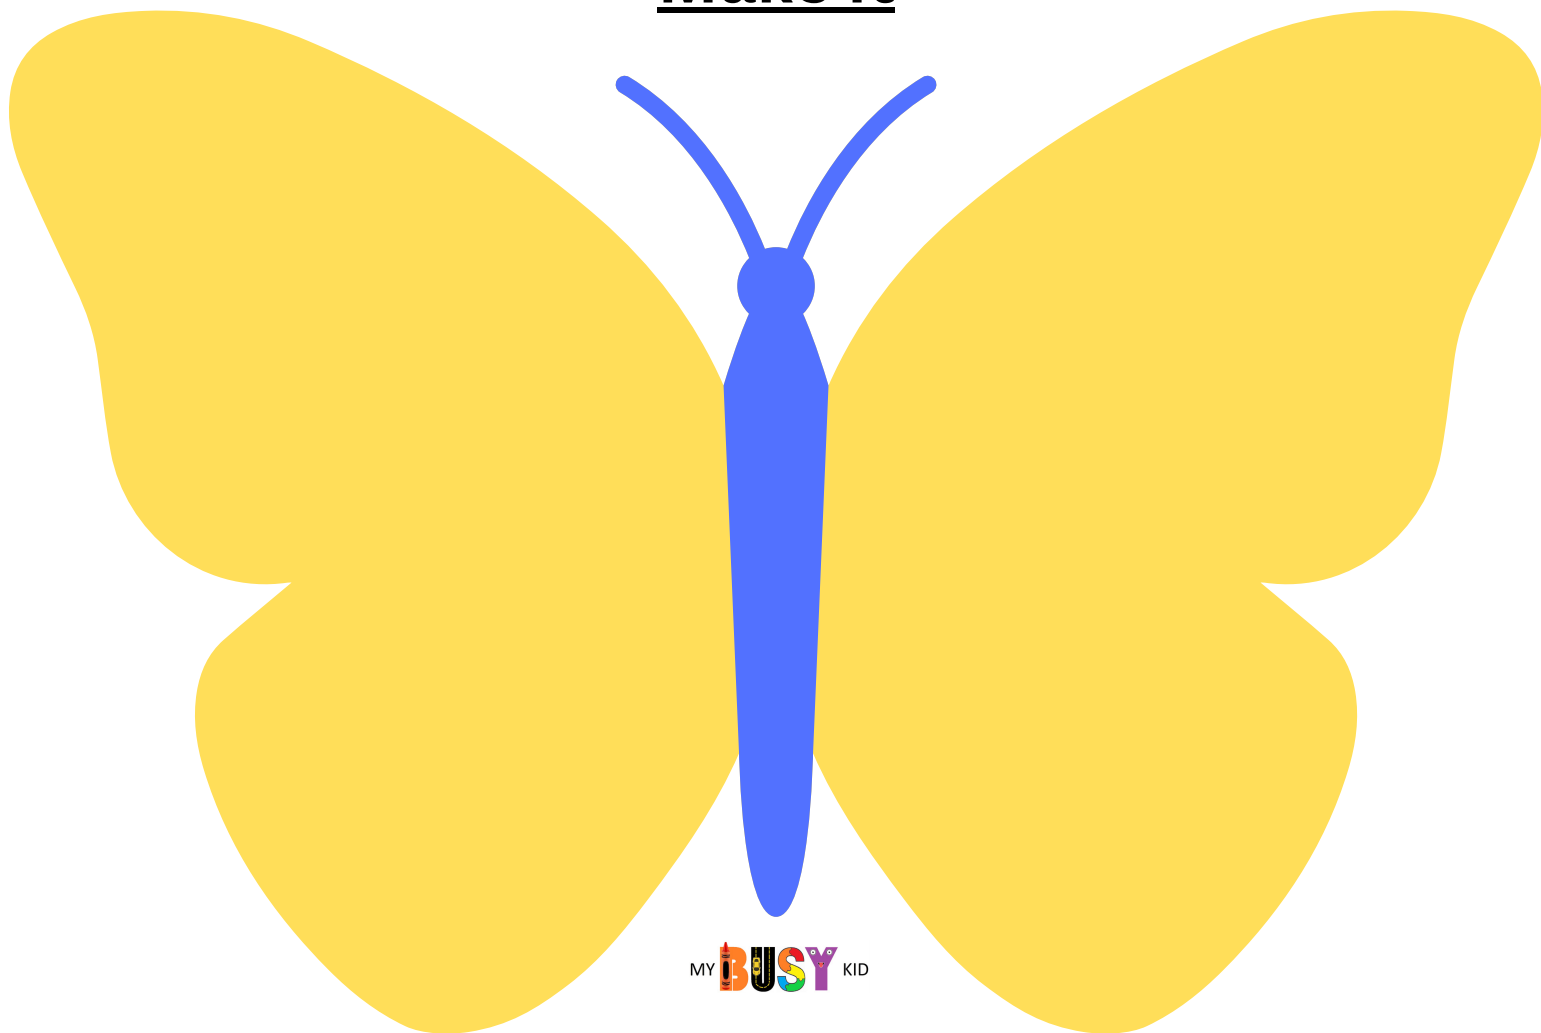

Roll it
